The Cincinnati Times has the follow-We are making preparations for a cover a few Indians never before seen by man. This would be a terrible inof artillery, but so far all has been so peaceable that I have been ashamed to

unmask it. OLD BACH.

CHINESE LABOR. One side of the Chinese labor ques tion has been exhaustively treated by Tribune. If his essay is published in all the editions of the Tribune it will go far towards creating in this country sentiment adverse to the Chinese im ine of Mr. Swinton's statement: I am opposed to this unlimited influx

of Chinese immigrants. I am opposed to American working men surrendering the different branches of industry to Chinese operatives. I am opposed to the movement which

Race; 2, Industry; 3, Politics; 4, Momen, deeper than politics or religion, is race. The Germanic, Celtic and Latin any man in the city. There's one thing bout it; if this business of closing from bout it; if this business of closing from the city.

are the strongest and soundest, the most big enough yes'rday to 'commodate the progressive and aggressive in the world. The Chinese or Mongolian blood is a depraved and a base blood. The Chinaman works for one-tenth of the wages demanded by the American alley full of thirsty men, waitin' their time to get in. Had to take turns, workingman. I doubt, on many accounts, if the American would succeed as a competi-

tor with the Chinaman on any terms, doors open?" But he would certainly have no chance whatever on any other terms than by the abolition of the household, and by denying himself appliances of personal back doors for a drink. workers. We stopped to fill our jugs white squaws." Therefore he was the dark ages, and in many cases is a civilization. So that, to use a rude il-drunk 'fore'n dog's age myself. I can be cautious. The troops great incentive to rebellion. I've said lustration, we may look on the industri- walk bol'ly by a s'loon with er fron' Chinese races as a contest of the bunk about a back en'rance, and I'll fin' it against the bed-the roast rat against sure.
